Thermal Performance

Premium Insulation

- Designed for year round comfort, our innovative approach ensures a cool interior during summer and a warm atmosphere in winter. Whilst providing a cosy finished feel.
- 5mm thickness
- Triple layer of foam, foil, and fabric
- Decomposition temperature: $>260^{\circ}\text{C}$
- Upper melt temperature: $255\text{-}260^{\circ}\text{C}$ (ASTME794-85)
- Specific heat: 1.34KJ/Kg at 250°C
- Thermal conductivity: 0.14W/mK

Premium Insulation Performance

- $R\text{-Value} = 0.95\text{m}^2\text{K/W}$

Our Standard PVC covers have

- Temperature Resistance $+70^{\circ}\text{C}/-40^{\circ}\text{C}$ (-30°C for premium colours)
- Weatherproof
- UV-resistant
- Stain resistant
- Acrylic lacquer on both sides
- Fire Resistance
- BS 7837
- NF Pg2507
- NFPA 701

Structural Loading

British Standards / Eurocodes

- 1. BS EN 13782:2005 Temporary structures – Tents - Safety
- 2. BS EN 1993-1-8:2005 Eurocode 3 – Design of steel structures
- 3. BS EN 1999-1-1:2007 + A1 Eurocode 9 – Design of aluminium structures

Modular Wet Room With Door

All prices shown are exclusive of tax and subject to change

The Ensuite is unfurnished allowing the freedom to design it according to your own preferences.

Marble and tile effect walls are available price on request email TruDomes for your bespoke options.

Discover the diverse ways our valued customers have personalised their TruDome bathroom pods.

Our En-Suites provide a blank canvas, granting you the creative freedom to personalize your bathroom with the cladding of your choice.

En-Suite Range

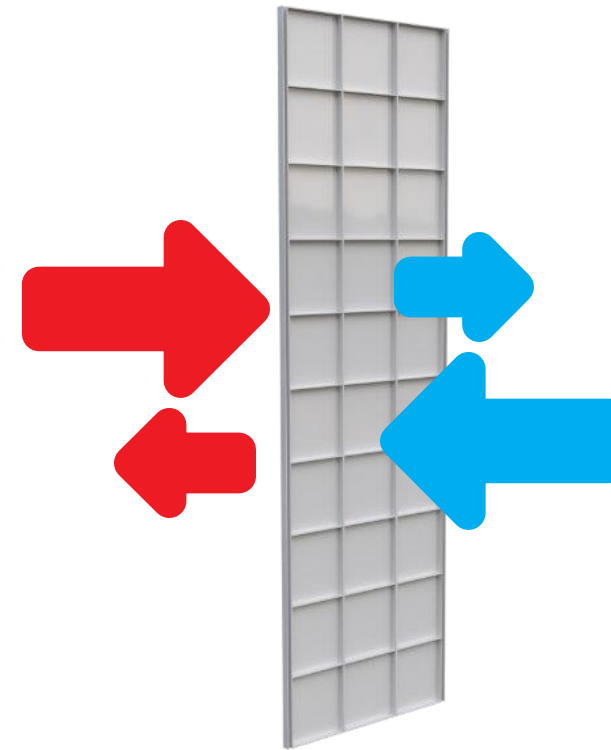

The TruDomes Modular Wet Room features a gently sloping floor toward the drain.

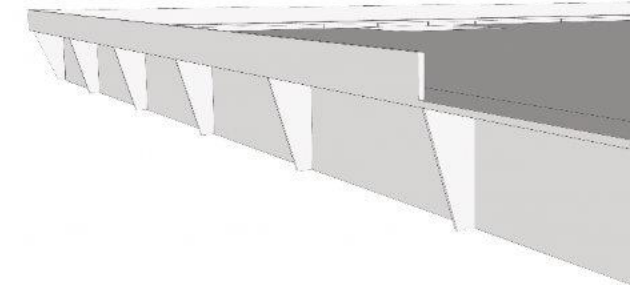

The pod is water-tight so you can enjoy the full wet room experience.

Simple, modular, flat pack construction easily fits through doors.

It comes together to form a sturdy and strong unit.

Naturally thermally efficient high pressure moulded fibre reinforced construction retains heat within the pod.

Pods can be installed with a step up as low as 7cm depending on plumbing provisions.

En-Suite Range

TruDomes offers five unique bathroom sizes to accommodate your Dome or Site Configuration.

Smaller Pods are perfect for In-Dome En-Suite

Our larger Pods are recommended for Outside-the-Dome External use and require exterior cladding to protect against the elements.

Ibiza

Our Smallest Full Wet-Room Bathroom

Designed for small spaces, this pod is recommended for fitting inside the Classic 6

Size – 1.4 x 1.0m

Size – 2.4 x 1.6m

Area - 3.84m²

Inside Height 2.0m or 2.2m

FAQS

Order & Delivery

How are TruDomes packed?

TruDomes come flat packed, with instructions for customers to assemble themselves. Our unique Eco friendly packaging is loved by our customers.

Where do you ship to?

TruDomes hold stock in the UK and the USA but ship all over the world.

What is the lead time from ordering?

TruDomes manufactures to order, therefore, lead times can vary from 4-12 weeks. We have limited Off-the-Shelf stock if you need a dome quickly.

What warranty do you offer?

We offer a 2 year warranty against manufacturing defects.

Do TruDomes offer finance?

TruDomes offer customers a number of payment plan options, please get in touch with the team discuss further.

What are your payment terms?

We ask at least a 50% deposit upon confirmation of your order with the remaining balance due upon shipment.

Can TruDomes be used all the year round?

Absolutely, our domes are designed to be used all year round and can withstand most weather conditions.

How is a TruDomes heated and ventilated?

TruDomes recommend our triple layer premium 5mm insulation, along with the very popular wood burning stove. In the warmer months our solar air vents are effective for keeping the dome ventilated and cool. If you plan to have a kitchen or bathroom in the dome, please discuss additional ventilation options with a member of our team.

Our Story

TruDomes designs and manufactures all our domes in Britain.

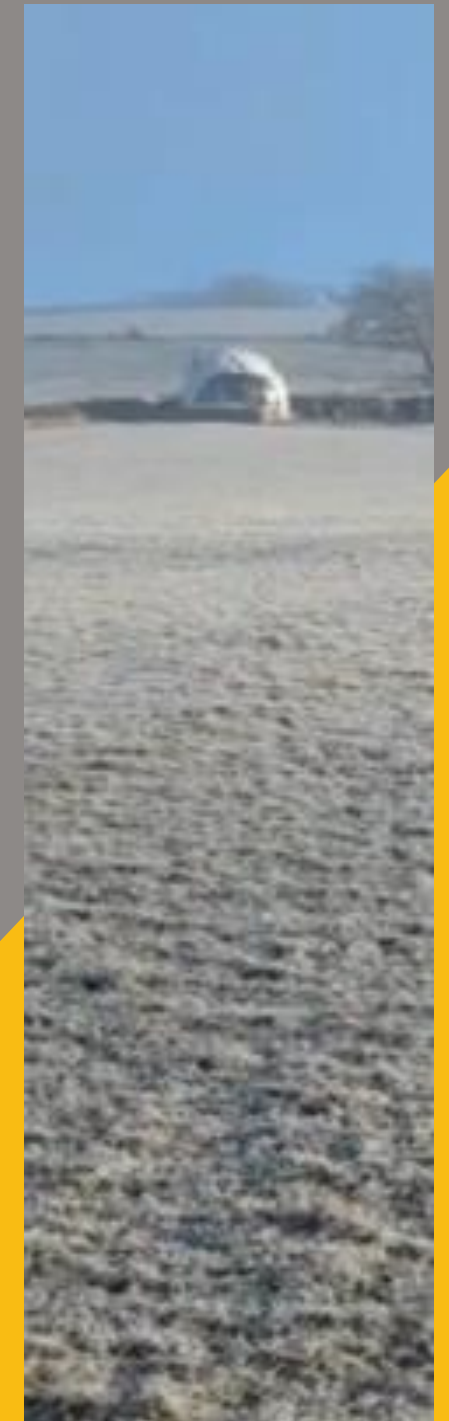

Our parent company has over 40 years of manufacturing expertise in the Midlands.

Designing and manufacturing great products is in our DNA and innovation is at the heart of what we do.

Our team is forever striving to be better than the day before.

Our ultimate goal?

World-Dome-ination... of course.
